- Teaching in a school operated by the U.S. government.
- Other public service:
 - With the U.S. government
 - A government agency or subdivision of another state.
 - Service for which contributions were made to a municipal retirement system in Ohio.

STRS Ohio does not allow the purchase of credit for (1) any service for which you are eligible for a benefit under another retirement or annuity plan (except Social Security) that was paid, is currently being paid or is payable in the future, or (2) services compensated by funds not appropriated for use by that governmental entity or fee-based services.

STRS Ohio will return incomplete or improperly certified forms to the member.

Employer Certification

- **Part 1 — Completed by the member.**
- **Part 2 — Completed by the official employer or custodian of records** (for the service you wish to purchase). Certification must be made from actual payroll or retirement records verifying your service.

Retirement System Certification

- **Part 1 — Completed by the member.**
- **Part 2 — Completed by the retirement system** (if contributions were made to a retirement plan for this service). Send this form to the appropriate retirement system if the certifying official indicated there was a retirement program (except Social Security) in effect for your service.

If you were not in a public institution and the Employer Certification form indicates there was no retirement plan in effect for your service, you do not need to complete this form.
